

Observing more than one student in Canvas

If you signed up for a Canvas account as a parent and linked yourself to a student, you can add additional children to observe at the College.

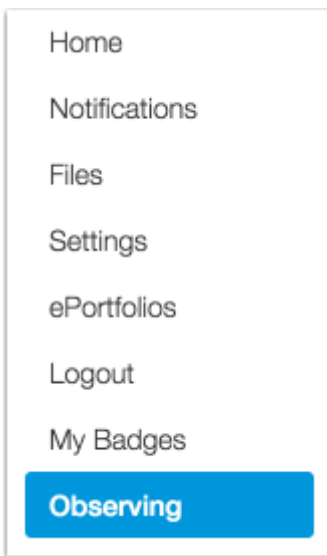

Follow the instructions below:

Open User Settings

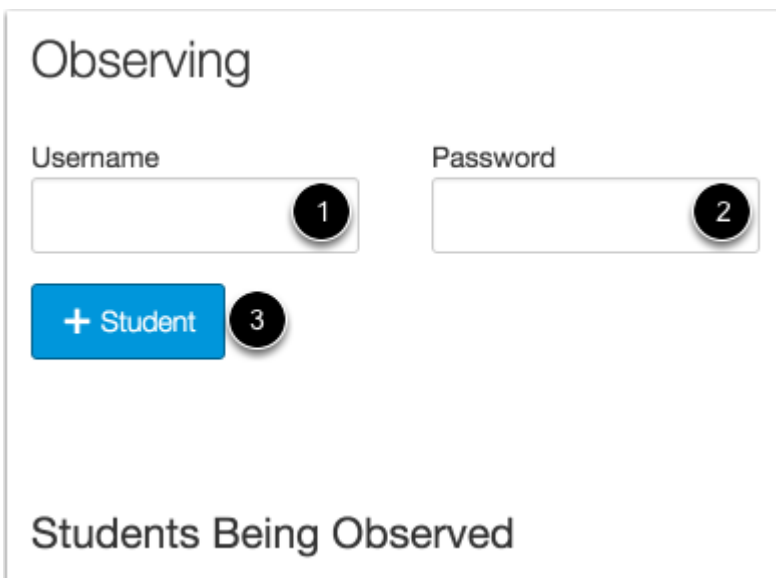

In Global Navigation, click the **Account** link [1], then click the **Settings** link [2].

Open Observing

In User Navigation, click the **Observing** link.

Add Student

A screenshot of the 'Observing' interface. At the top left is the title 'Observing'. Below it are two input fields: 'Username' on the left and 'Password' on the right. A small black circle with the number '1' is positioned to the right of the Username field, and a similar circle with the number '2' is to the right of the Password field. Below these fields is a blue button with a white plus sign and the text '+ Student'. A small black circle with the number '3' is positioned to the right of this button. At the bottom of the form area is the text 'Students Being Observed'.

In the Username [1] and Password [2] fields, enter the student's username and password.

Click the **Add Student** button [3].
