## Introduction

Please see the [Adobe Creative Cloud Google site](#) for purchasing, order status, roadmap, and support information.

## Installation Instructions

1. Once a license is assigned to your cenet user account you will receive the below email. When the email is received click on the ***“Install an app yourself”*** hyperlink.

## 2. When redirected click on “SIGN IN”

Adobe Support > Creative Cloud > Download and install Creative Cloud apps

MENU SEARCH SIGN IN Adobe

### Download and install Creative Cloud apps

Search Adobe Support

Learn to download and install Creative Cloud apps. Easily find and install multiple versions of apps.

#### Download your first app

Welcome to Creative Cloud! To get started, simply download your first app from the Adobe website. The Adobe Creative Cloud desktop app—which you'll use to manage future downloads—is installed at the same time.

- Go to the [Creative Cloud apps catalog](#). Find an app that you want to download, such as Photoshop.

4. You will be redirected to the below cenet login page once you have entered your email address

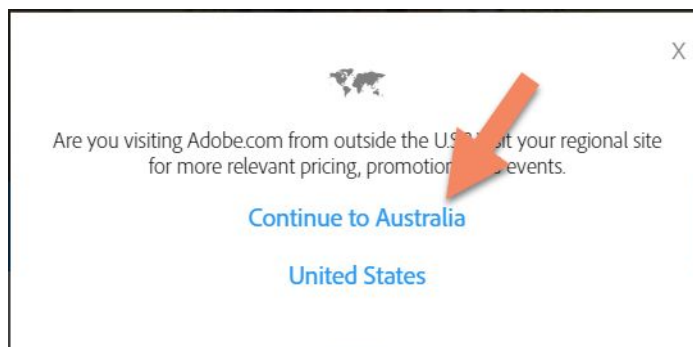

The image shows a login page for Cenet. On the left is a logo featuring a stylized flame with a cross inside, and the text "Provided through Cenet" below it. On the right, under the heading "To continue, please log in...", there are three input fields: "Username:" with a text box containing "Username", "Password:" with a text box containing "Password", and "Diocese:" with a dropdown menu showing "Sydney". Below these fields is a blue "Log in" button. At the bottom right, there is a link that says "Expired or Forgotten Password?".

5. Click on the link below ***“Creative Cloud Apps Catalog”***

The image shows a page titled "Download your first app". The text reads: "Welcome to Creative Cloud! To get started, you'll need to download your first app from the Adobe website. The Adobe Creative Cloud desktop app—which you'll use to manage your Creative Cloud downloads—is installed at the same time." Below this is a numbered step: "1 Go to the [Creative Cloud apps catalog](#). Find an app that you want to download, such as Photoshop." A large orange arrow points from the top right towards the "Creative Cloud apps catalog" link.

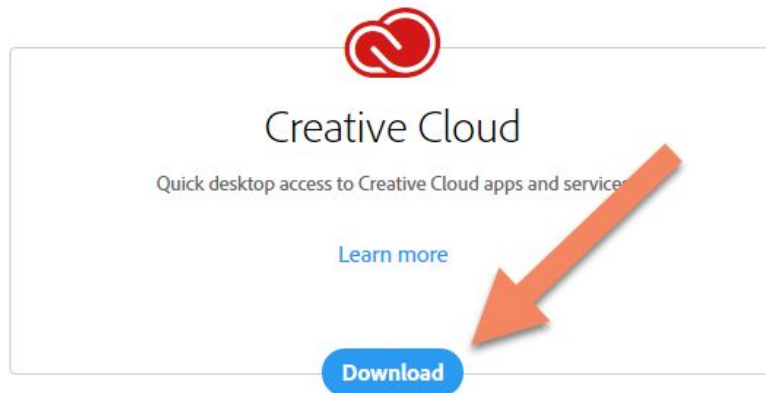

6. Select “Continue to Australia”

The image shows a dialog box with a world map icon at the top. The text asks: "Are you visiting Adobe.com from outside the United States? Visit your regional site for more relevant pricing, promotional offers, and events." There are two buttons: "Continue to Australia" and "United States". A large orange arrow points from the top right towards the "Continue to Australia" button.

7. Once you have passed the prompt you will see a page full of apps, you need to scroll down to the end of the page until you see the below creative cloud app and select **“Download”**

8. You will need to select your skill level from the dropdown and click continue

## Creative Cloud: start your download

### Next Steps

Help us provide you with the right experience and learning content
