Dear Parents,

On 12th November last year, Father Frank Brennan sj delivered the 2013 Camino Address. In this address Fr Brennan combined commentary about contemporary Catholicism with his reflections about Pope Francis as a Jesuit and as a Pope. Fr Brennan is Professor of Law at the Australian Catholic University and Adjunct Professor at the College of Law and the National Centre for Indigenous studies at Australian National University. I reproduce for you here the closing paragraphs of the address.

A while ago I was at a cocktail party and a very sophisticated woman said to me, "I am not at all religious. And for me that is good because I am free to think for myself and make my own decisions." I demurred: "I am religious and from a Church that takes tradition and authority seriously. That does not mean that I do not think for myself nor that I do not make my own decisions. But I derive enormous benefit being part of a community of thinkers and decision makers through the ages who wrestle with the hard questions. I find their experience and reflection on their experience helpful as I do my thinking and make my decisions.

Recently I received a text message from one of my nieces about her six year old son, Liam. It read: "late night tonight with fireworks. Driving home now and tired Liam says, 'mum if we sleep in, it's OK, because we can miss mass. I notice you don't need to book into it' How right he is. We don't need to book, but we are welcome. It is good news for us, or at least that's what we believers tell ourselves in good faith. We're still praying, we're still thinking and still making decisions that matter, ultimately. We have something to say and plenty to celebrate. We have duties to perform for the good of the Church and of the World, not because we are commanded by authority but because we are freely responding to the call of the One who came to give life to all, life to the full."

School Resumes in Winter Uniform

BRIGIDINE BASICS
- The hem of a student’s uniform touches the floor when kneeling.
- Every girl is to be at school by 8.30am at least.
- Teaching commences at 8.40am
- Supervision of girls begins at 8.20am. Girls should be in either the Main Quad or the Canteen Quad.
- Parents should not drop and pick up daughters in Aeolia Street. This causes dangerous traffic for the students.
Father Brennan speaks eloquently about Christian freedom, an idea of freedom quite different from the freedom of popular culture which is mostly about doing whatever feels right at any particular time. Christians freely agree to take on the yoke of Christ which we discover with surprise is "easy" as easy as the yoke the mother takes on for the care of her baby. Love makes it so.

Another daughter to come to Brigidine?
Sisters of girls presently in the school have priority of enrolment. Parents do, though, have to go through the application process. Ask your daughter to pick up an application form from the Brigidine Office. All applications for enrolment at Brigidine in 2015 must be at the school by Monday 28th April.

Rotary Youth Exchange Program - 2015
I have received information about this program which is open to girls in Years 9, 10, 11 and 12. Details can be found at www.rotaryyouthexchange.com.au Each student must be sponsored by a Rotary club. A list of the clubs in our district can be found at: http://bit.ly/1hjRPpt. Completed application forms should be sent to the sponsoring club and the chairman of the Rotary Youth Exchange Committee District 9675, Mr Ian Gilkes ian@thegilkes.com

FROM THE ASSISTANT PRINCIPAL

Year 7 Camp
Thank you to the teachers who attended the Year 7 Camp this year. It is an enormous commitment from teachers to be away from their families. Thank you to Mrs Parsons, Mrs Giuffre, Mrs Gouveia, Ms Lewis, Ms McColl, Mrs Khachigian, Ms Fairall, Ms Mohamed and Mrs Lee. I know the girls had a wonderful time as I was able to spend the Thursday up at Collaroy with them and they very much appreciate all that their teachers did for them.

Ms Watson took four Year 12 Leaders up to Collaroy to spend some quality time with the Year 7 students on Thursday afternoon and all day Friday. The Leaders cherish the time they are able to spend with the younger girls and this has become part of what we do at Brigidine.

Fundraising
The girls have really embraced our Lenten appeal this year and we have several fundraising events occurring at the College. Our aim is $10,000 and the girls will have the opportunity to contribute to this target via various cake & food stalls, lolly bag sales and guessing competitions. Year 8 have been adventurous and will hold a pyjama day (the girls must travel to and from school in their uniform and change at school).
Behaviour in Public
I remind all girls that whilst we acknowledge that each girl is unique; when they are in school uniform they represent the entire Brigidine College community. Each student is expected to be on her best behaviour at all times especially when in public. This means that students are

- To behave with respect and dignity
- To be courteous and polite
- To refrain from using inappropriate language
- Not to loiter in shopping areas, bus stops, train stations or at cafes
- To travel directly to and from school without any diversions unless physically accompanied by a parent or guardian
- To be wearing the correct full school uniform; and
- To act in a responsible and mature manner

Uniform
Thank you to those parents who have supported us in ensuring the girls are wearing the correct uniform. There are still too many girls wearing fluorescent coloured bras under their uniform. These are clearly visible and you will definitely notice that your daughter has one on before she leaves home. I ask parents to please ensure that their daughters are only wearing a Beige or white bra with their uniform. Thank you for your support in this area.

Year 12 Chemistry and Physics

Year 12 Chemistry and Physics along with our teacher Mrs Moldrich recently visited ANSTO’s Nuclear Reactor in Lucas Heights as part of our study of nuclear chemistry and medical physics.

The day allowed us to relate the theory we had learnt in class to its applications in society. We learned that the plant was expanding as one of the main producers of radioisotopes in the international market and about how prestigious Australian Nuclear Technology is around the world, largely due to the innovative systems and technologies at ANSTO Lucas Heights. An example of this we saw was the OPAL reactor, which is a state-of-the-art 20 Megawatt reactor that uses low enriched uranium fuel to achieve a range of nuclear medicine, research, scientific, industrial and production goals. The advanced safety and environmentally sustainable aspects of the plant were also very impressive and the entire day presented us with many new career prospects in the field of chemistry and physics.

A couple of weeks ago Year 12 Chemistry also welcomed back Mr Burg as an honorary member of our class, to teach us the skill of beer making. His impressive knowledge of brewing and chemistry made understanding the process of fermentation a fun and educational experience. It left us, as chemists, in little doubt that our ‘Delany Draught’ would be the best beer ever!

Once we had prepared the beer mixture, with key care taken in hygiene, we allowed the yeast in the mixture to ferment for a week, before bottling it in our very own customized beer bottles. The bottles are then to be left for a six-month
period, so that any final fermentation can take place and the beer will be at its peak just in time for us to receive it upon graduating........if we are 18 that is!!

YEAR 12 HOSPITALITY EVENING AT PINOCCIO’S RESTAURANT

On Monday March 10 the Year 12 students from Year 12 Hospitality took over the local restaurant, Pinocchio’s at The Spot for the evening. For a restaurant filled with 140 customers that included families, teachers and friends these students prepared, cooked and served a wide selection of entrees, mains and desserts as well as coordinated beverage service and tea and coffee.

As my family and I approached Pinocchio’s at The Spot on Monday 10th March, we were greeted by smiling, professional waiting staff who escorted us to our table. Soon after, we were asked if we would like any drinks, presented with salad and bread and our food orders were taken.

The atmosphere was vibrant and up-beat with family, friends and work colleagues catching up for a very different interaction with the Year 12 Hospitality students than is usual on a school day. From where I was sitting (Table 5 to be exact!) the floor ‘staff’ worked efficiently, effectively and professionally. I sneaked a peak into the kitchen and saw fantastic communication and teamwork happening as food was being prepared, cooked and thoughtfully presented.

We ate the haloumi salad (amazing balsamic dressing) and roast pork entrees (the crackling was to die for), followed by perfectly cooked medium rare rib eye steaks in a mushroom sauce (delicious). My son and daughter loved the pasta in a Napolitana sauce - so much so, that they pleaded with me to take the leftovers home. The accommodating waitress sorted this out quickly by providing a take away container (thanks Aleena!). I saw my children’s eyes pop out of their heads as the chocolate mousse and sticky date pudding were placed in front of us. And the taste was amazing (not that I ate too much myself - there was no way my son was letting anyone get hold of that chocolate mousse!).

And now, after the event through reflection and evaluation, we are truly able to see the worth of this take-over challenge. The hands-on, real life experience has given a deeper knowledge and understanding of units of work such as ‘working with colleagues and customers’, ‘following workplace hygiene procedures’, ‘organising and preparing food’ and ‘serving food and beverages to customers’ to name but a few. It has enabled us to discuss and explain aspects such as problem solving (eg resolving customer concerns), initiative and enterprise (eg adapting to new situations), planning and organising (eg managing time and priorities), teamwork (eg identifying the strengths of team members), communication (eg listening and understanding), self-management (eg taking responsibility) and learning (eg contributing to the learning community at the workplace).

Students Perspective of Evening

The Pinocchio’s night was a great experience in the kitchen. We learned how to cope under pressure turning out great dishes. Personally I thought it was a great evening, even though there was a little bit of wait on mains for some customers. We overcame it by getting a positive mind set and turning out 5 star dishes. The customers thought so too. I thought it was great fun and the other girls and I would do it again in a heartbeat.

Zoe O’Brien
Our Pinocchio’s night was a great experience. At the beginning of the night we did encounter some confusion e.g. getting the huge amount of orders all at once, and getting a few of them mixed up. The kitchen staff overcame this situation with a calm problem solving attitude. Their teamwork allowed for great productivity in the kitchen. The waitresses on the floor had allocated areas making it very easy for us. It was a good feeling to feel as though we were out in the real world of Hospitality. We gained a lot of experience in one night. The teachers, friends, and families were all very supportive and we thank them for allowing us this opportunity. Overall the night turned out to be fantastic and we were very privileged to do this.

LIBRARY NEWS
CELEBRATING ST BRIGID’S DAY IN THE LIBRARY

Our library year started with the Feast of St Brigid on Feb 2, with an extensive display of photographs, narratives of teaching and learning experiences, and a variety of resources put together to help Year 7 appreciate the rich heritage of Brigidine College. This year a Brigidine Memory Box with items donated by Brigidine school girls from the 1950s and beyond enriched the exhibition.

LEARNING THROUGH LIBRARY ACTIVITIES AND RESOURCES
Our girls continue to learn from a well-integrated resource base of books, digital resources and physical learning objects. This year we have invested a great deal of time in building our repository of ‘how to’ and ‘research tips’ videos that are posted on the school website. Our Year 7 Brain Training program is being supported by a ‘Think and Search Cycle’ text book, created by the library, which details a research model unique to this College.
Open Day
As ever, Open Day was a delight, with our beautiful girls leading tours designed to give parents and high school students of the future a sense of stimulating and well supported life at Brigidine College.

HISTORY
In the library, the Open Day display combined department resources with objects from the Library-Museum.
ENGLISH
Our dedicated and experienced English staff enjoyed spreading the news about our rich and interesting experiences, along with Brigidine HSC successes.

LITERATURE ALIVE
A few of our enterprising Year 8 girls decided that they’d channel major characters in their set text ‘Kalpana’s Dream’.

Shrove Tuesday
On the 4th of March Brigidine’s Social Justice Group along with the help of the wonderful TAS Team held a pancake stall for Shrove Tuesday.

The girls had a ‘flipping’ good time upholding a centuries-old Catholic Tradition whilst also raising money and awareness for Project Compassion 2014.
Project Compassion

The first two weeks of Lent have already seen many generous donations from the Brigidine community.
This year Project Compassion’s focus is related to our desire for a full and beautiful life within the surroundings of home. Not just a house to live in, but a life filled with certainty, free from the burden of poverty with access to food, water, education, healthcare and shelter.
Donations to Project Compassion allow Caritas Australia, the Catholic Agency for International Aid and Development, to work towards this creation of a more just and fair world for whole communities.
This year Project Compassion will focus on certain issues within six countries around the world.

Maristely from Brazil:

An advocacy program in São Paulo, Brazil, enables favela (city slum) residents to gain legal deeds for their land, as well as securing access to basic services. A youth empowerment program is enabling young people from the favelas, like Maristely, to work for justice so that peace, rather than violence, rules the streets where they live.

Your donation to Caritas Australia’s Project Compassion provides young people like Maristely with the opportunity to become leaders for justice.

Deng from South Sudan:

For Deng in South Sudan, the cycle of poverty and disability was made worse with the civil war, which led him and his family to flee their village and live in the bush for many years. Deng and his family are rebuilding their lives through their participation in a Caritas Australia food security program.

Your donation to Project Compassion can help individuals like Deng to rebuild their lives post-conflict.
‘THE CARITAS CUP’ UPDATE:

The Caritas Cup and ‘house points’ will be rewarded to the House that raises the most money over the five weeks of Lent.

The leader board stands as follows for the first two weeks:

1. Winifred
2. Brigid
3. Regina
4. Xavier
5. Aquinas

Will Winifred be able to keep their lead?

Australian National University Scholarship
Unique $20,900 pa scholarship opportunity at Australia's national university

Recently, a unique Australian undergraduate university scholarship was launched at The Australian National University (ANU). The Tuckwell Scholarship program selects 25 students each year and awards them $20,900 per annum (increasing with inflation) for up to five years of their degree at ANU for expenses such as accommodation and living costs. As part of the program, Tuckwell Scholars will live on the ANU campus in a hall or residential college.

ANU is looking for applicants Australia-wide, including those who would not necessarily apply for a competitive scholarship perhaps because they have a genuine modesty that inhibits them from putting themselves forward or because they feel their background might be a barrier to success. Applications open 3 March 2014 and close 21 March 2014.

Alternative Schoolies Week - exclusively for Sydney CEO Schools

Harvest INROADS, in partnership with the Sydney Catholic Education Office, is proud to offer the graduating Class of 2014 the opportunity to mark the end of their schooling in a fun yet meaningful way.

Motivated by the negative images we see every year of celebrations on the Gold Coast, we decided to create a viable alternative for students.

This alternative is the opportunity to travel to Fiji where students can unwind, relax, enjoy the attractions of this island paradise while also having the opportunity to get involved with the locals and make a real difference. Based on the highly successful model of the Rio World Youth Day mission projects, “Schoolies” will be immersed in local culture and work alongside community partners, on established and ongoing service projects. Please note: Under 18’s are welcome to join the Harvest INROADS experience as it is strictly ALCOHOL, DRUG and TOBACCO FREE.

Activities during the Schoolies Experience will include:

- Helping with various building and infrastructure projects within the nearby villages.
- Teaching English to primary school students alongside their teachers.
- Preparing traditional meals with the women of the village and delivering them to families in need.

In partnership with the Sydney CEO, Harvest INROADS is offering a program which is reserved exclusively for your students. The details are as follows:

- Where: Fiji
- When: 22 - 29 Nov 2014
- How much: $2280 including roundtrip international airfare from Sydney
- This experience is strictly alcohol, drug and tobacco free
