Dear Parents,

A big focus at Brigidine during Lent 2014 was fundraising for Caritas. The school community raised nearly $12000. Five years ago we were raising $2000. This great increase is largely due to the willingness of parents to recognise what the school is trying to do and encourage their daughters to participate. Here at school Ms Chaloner and Mrs Day were the energy behind the operation and many girls from cohorts who decided that this fundraising cause was worthy of time and effort. Year Nine girls in particular were enthusiastic. Year Nine can be a desert in between being a little girl and almost old enough to have a little more freedom and I think that it says a great deal about the character of our girls that so many of them put their heart and soul into this fundraising. Caritas supports missionaries in developing countries where the need is great all the time. Because of the constancy of need it does not get the kind of media attention given to a large scale disaster. Because Caritas is a worldwide organisation, somewhere some person unknown to us is trying to help someone with the money Brigidine girls raised. Our fundraising activities and accompanying education about poverty are effective ways of shifting an adolescent world view which is naturally self centred and I am sure many parents recognise this opportunity as well.

At the end of Term One we farewelled Mrs Lynne Wallace who has been a Mathematics teacher, and latterly, our Careers Counsellor. Mrs Wallace has decided to retire from teaching and so there was a staff celebration as retirement is always a very significant decision. In Terms Two and Three the position of Careers Counsellor will be taken by Mr Grant McIntosh who has had long experience in the area of Careers education. Ms Nicolas will be on Long Service Leave and will return to Brigidine in Term Four.

Ms Kylie Baldwin who has been our tutor for our Indigenous girls also left Brigidine at the end of Term One. Her place has been taken by Ms Natalie Grove.
Term Two is a nine week term and Year Twelve girls can grow in wisdom by understanding that time can go by very quickly. For all of us the term will rocket past. May we all make the very best use of the time given to us.

*May Brigid Bless the House Wherein you dwell*

Principal

**PLEASE NOTE – ALL** students will be dismissed at 12.52pm on Wednesday 21st of May to allow the Year 12 Parent Teacher Interviews to take place. Students are expected to go directly home at this time.

#### Parking

Brigidine College is a site that presents difficulty for parents electing to drop off and pick up their daughters. To ensure safety at all times, parents are asked to remember the following:
• The drop off and pick up zone is on Coogee Bay Rd; please adhere to the parking signs
• There is **NO PARKING** in Aeolia Street. Please do not drop your daughters in Aeolia Street
• The worst times to collect and drop off your daughters are between 8:20 am—8:30 am and 3:20 pm—3:30 pm. Perhaps you might consider arriving and departing outside these times
• Double parking is ILLEGAL and jeopardizes student safety

Uniform
Girls are now in their winter uniform for Terms 2 and 3. Please ensure your daughter is in correct uniform, which includes wearing their blazer to and from school. There is to be only **ONE** earring in each ear lobe (see p.30 of the diary). No other earrings, nose rings, tongue rings are permitted. Beige or white bras are to be worn under the sports uniform and white shirt. **NO** Fluorescent coloured bras or bikini tops are to be worn under the uniform. The skirt should reach beneath the knee.

7 dangerous Apps that parents need to know about
A look into the some of the scariest Apps for your kids

I work in public relations at Cook Children’s. It’s my job to be on social networking sites, peruse the internet and keep up with the latest Apps offered on smartphones. It’s a great job and I love what I do, but over the last couple years, I have learned so much about the dangers of Smart Phone Apps. It’s downright scary.

Technology, especially if you’re a little behind the times, can be very deceptive. Your kids may be downloading Apps that you think are innocent and just a simple way for them to keep in contact with their buddies, but unfortunately, this isn’t always the case.

To keep your children safe, it’s best that you monitor their phone. Look through their apps, texts and pictures. They may feel that you’re invading their privacy, but let’s be honest… You’re paying the phone bill, so you can do whatever you want! So, as you monitor your kid’s phone, keep an eye out for these 7 apps you may not be aware of, that in my opinion are very dangerous:

- **Yik Yak** – This App is one of the newest and one of the most dangerous. It allows users to post text-only Yaks of up to 200 characters. The messages can be viewed by the 500 Yakkers who are closest to the person who wrote the Yak, as determined by GPS tracking. Users are exposed to – and contributing - sexually explicit content, abusive language and personal attacks so severe that schools are starting to block the App on their Wi-Fi. Although the posts are anonymous, kids start revealing personal information as they get more comfortable with other users.

- **SnapChat** – This App allows users to send photos that will disappear after 10 seconds. Once the recipient opens the picture, the timer starts. Then it’s gone. From both the sender's phone and the recipient’s phone. However, the recipient can take a screen shot of the photo and have it to share with others. This App enables kids to feel more comfortable “sexting” with peers.

- **KiK Messenger** – This is a private messenger app and is coveted by those under 18 for a number of reasons. The App allows kids to send private messages that their parents can’t see. There is very little you can do to verify the identity of someone on Kik, which obviously poses the risk of sexual predators chatting with your child. And again, this is an easy tool for sexting.

- **Poof** – The Poof App allows users to make Apps disappear on their phone with one touch. Kids can hide every app they don’t want you to see on their phone. All they have to do is open the App and select the ones they don’t want you to see. Very scary! The good news about this App is it is no longer available, which isn’t uncommon for these types of Apps. But, if it was downloaded before it was deleted from the App store, your child may still have it. Keep in mind that Apps like this are created and then terminated pretty quickly by Android and Apple stores, but there are similar ones being created constantly. Some other names include: Hidden Apps, App Lock and Hide It Pro.
• **Omegle** – This App has been around since 2008, with video chat added in 2009. When you use Omegle you do not identify yourself through the service – chat participants are only identified as “You” and “Stranger”. You don't have to register for the App. However, you can connect Omegle to your Facebook account to find chat partners with similar interests. When choosing this feature, an Omegle Facebook App will receive your Facebook “likes” and try to match you with a stranger with similar likes. This is not okay for children. There is a high risk of sexual predators and you don’t want your kids giving out their personal information, much less even talking to strangers.

• **Whisper** – This is a meeting App that encourages users to post secrets. You post anonymously, but it displays the area you are posting from. You can search for users posting within a mile from you. A quick look at the App and you can see that online relationships are forming constantly on this App, but you never know the person behind the computer or phone. One man in Washington was convicted of raping a 12-year-old girl he met on this App just last year.

• **Down** – This application, which used to be called “Bang with Friends,” is connected to Facebook. Users can categorize their Facebook friends in one of two ways: they can indicate whether or not a friend is someone they’d like to hang with or someone they are "down" to hook up with. The slogan for the App: “The anonymous, simple, fun way to find friends who are down for the night.” If that alone doesn’t scare you, I don’t know what will!

I know it’s overwhelming to keep up with your kids and their online habits. But just remember to check their phones often, and even more importantly have real life conversations with them. Discuss the dangers of the Apps and make sure they understand the need to keep personal information private.

*Please note: You can turn location services, or GPS, off on cell phones by going in to the device settings. This will keep the Apps and photos from posting the exact location or whereabouts of the phone user.*

Attention Mrs Day
Caritas Project Compassion 2014 update:

"I HAVE COME SO THAT THEY MAY HAVE LIFE
AND HAVE IT TO THE FULL" JOHN 10:10

Brigidine girls have done an amazing job this year with Project Compassion, raising a current total of $11,589!!

A special mention is in order for Year 9 who worked extremely hard fundraising over the five weeks of Lent and have raised close to $5000!

We are still asking Year 12 to bring in their $10 donations so that we can bring our total to over $12,000!

In 2013 Pope Francis said, “men and women of all times and all places desire a full and beautiful life… a life that is not threatened by death but that can mature and grow to its fullness.”

To have life to the full is to live a life free from conflict, from poverty, and from injustice; a life with equal access to food, water, education, healthcare and shelter; a life of peace and of dignity.

The money raised this year goes towards a shared desire to help people succeed in reaching for this full and beautiful life.

Thank you to all who have helped us to reach this amazing goal.

**CGSSSA SOCCER 2014**
On Wednesday 9th April 2014, our Junior and Senior CGSSSA Soccer teams represented Brigidine College Randwick in the CGSSSA soccer tournament at Meadowbank Park.

The Juniors were so excited to play their first game, having many new Year 7’s in the team. They warmed up early and were ready to go. The team won all their round games bar one which they drew, placing them at the top of their pool. The girls made the semi finals, they were on high energy when they found out the news they were versus Monte. The girls played a competitive game but were unlucky to lose in a nail biter 0-1.

The Senior team drew their first game against Domremy; they won their second game against OLSH, and just missed out on semi-finals after losing a close game against Santa Sabina 0-1. All in all the girls put in a valiant effort especially the year 12s who represented their school in soccer for the last time.

Congratulations to all the girls, they supported each other wonderfully and displayed a great competitive spirit and admirable sportsmanship.

Special commendation for three of our girls who were selected to trial for the next level, CGSSSA Representative Team. This is a great result for Brigidine and shows the calibre of our soccer teams. Well done, girls!

Also a huge thank you to Jim Hayes (Parent) and Elyse Harmanis (ex student) for coaching the girls, your experience and commitment was very much appreciated by the staff and students.
SPIRIT CUP VOLLEYBALL COMPETITION
This year at Brigidine, the Year 12 Leaders’ mission was to get the girls more involved in sport and raising their house spirit with a new and improved Spirit Cup.

The house captains got together and organised an inter school volleyball competition, house against house. This meant that 2 girls from each homeroom and 2 teachers played in the game for their colour.

All the girls involved, both playing and watching really boosted the spirit of the school and it was a really fun and exciting environment.

The winner from the 2 day competition was BRIDIC.

I would like to say a huge thank you to the sports captains and teachers who helped get this initiative underway and to all the students and staff who participated in the competition and made it so successful.

We have some wonderful ideas to get for this term Spirit Cup Competition.

Details to be announced soon.

Brigidine Girls Competing for Coogee Surf Lifesaving Club
Brigidine Girls competing for Coogee Surf Lifesaving Club at the Australian Surf Lifesaving Titles (Scarborough Beach Perth) were rewarded for long hours of training over many months and years!

Almost needing special permission to bring 2 Gold Medals in her carry-on luggage at the airport, Jessica Thornton (year 11) wore a beautiful smile as she blitzed the opposition on the sand not only winning her own U17 beach sprint but taking out the Open Beach Sprint as well. Meanwhile in the 5 Person R&R (Traditional Rescue and Resuscitation) Ruby Cuthbert and Estelle Davis (year 10) were part of a very proud team taking out an Australian Title Silver Medal on a count back (one point away from the Gold Medal team)! In the ‘never say never’ Masters arena, even some of our Brigidine Mums had a go, with Elizabeth Cummings (Mum of Heidi yr 9) and Allison Roberts (Mum of Brigette yr 9 and P&F President) taking home a Bronze Medal for their effort in the beach relay with 2 other Mums.

NAPLAN INFORMATION

In May 2014 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by all students in Years 7 and 9 in all government and non-government schools. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy learning of students in all Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child’s level of achievement. Each student’s level of achievement will be reported against the national minimum standard.

Background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student’s right to privacy is maintained.

The tests will be conducted across Australia for all students from 13-15 May 2014.

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

**Friday 16 May** – A ‘catch-up’ day is scheduled for students who missed a test or were absent on a test day.

Students may be considered for exemption from the tests if they are newly arrived in Australia (less than one year before the test) and with a language background other than English, or if they have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student’s normal level of support in the classroom may be provided. Large print, Braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustment and exemption from the tests must be discussed with Brigidine College’s learning support team and Principal, and a parent or carer consent form must be signed. Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents and carers in consultation with the Principal. If you wish to withdraw your child from the tests you must sign a parent or carer consent form. Consent forms are available at the school.
Please make an appointment with the Principal if you would like further information about your child’s participation in NAPLAN.

Art Express and Biennale

Inspire Year 11 and 12 Visual Arts
On the 26th of March, year 11 and 12 Visual Art students attended the Art Gallery of NSW to view Art Express 2014 and the Biennale Exhibition. This excursion was organised in order to expose Preliminary and HSC Visual Art students to successful HSC art works and accomplished artists’ works in order to inspire our own artistic practice. Art Express and the Biennale were both very useful in encouraging us to extend our own conceptual and material practice in our own Body of Works. We also took advantage of the opportunity to view other sections of the gallery including the exhibition on Afghanistan which we found culturally diverse.

We appreciate Brigidine College is close to the city and we are able to visit the gallery in the afternoon when it is not crowded. Thanks Ms Brennan and Mrs Smyth for taking us! Cheers

Cathedral St, Sydney. (Parking is available at the Domain or Cook & Phillip Pk)
Proudly presented by the College P&F

Steve Biddulph is one of the world’s best known parenting authors. A psychologist for 25 years, he is now retired but continues to write and teach. His books, including The Secret of Happy Children, Raising Boys, The New Manhood and now Raising Girls are in four million homes and 31 languages. They have influenced the way we look at childhood and especially the development of boys and men. Today though, the exploitation and misuse of girls and young women globally are his major concern.

Steve’s live talks have had a remarkable public response, reaching 130,000 people over almost 30 years. Many people express surprise at how moving and emotional these talks are, as well as how much fun.

All parents and friends of your College community are warmly invited to attend this presentation at the College.
A cost of $10/person will be charged at the door.
If you have any questions please phone the College on 0235 0500

Alternative Schoolies Week exclusively for Sydney CEO Schools

Harvest INROADS in partnership with the Sydney Catholic Education Office, is proud to offer the graduating Class of 2014 the opportunity to mark the end of their schooling in a fun yet meaningful way.

Motivated by the negative images we see every year of celebrations on the Gold Coast, we decided to create a viable alternative for students.

This alternative is the opportunity to travel to Fiji where students can unwind, relax, enjoy the attractions of this island paradise while also having the opportunity to get involved with the locals and make a real difference. Based on the highly successful model of the Rio World Youth Day mission projects, Schoolies will be immersed in local culture and work alongside community partners, on established and ongoing service projects. Please note: Under 18's are welcome to join the Harvest INROADS experience as it is strictly ALCOHOL DRUG and TOBACCO FREE.
Activities during the “Schoolies” Experience will include:

- Helping with various building and infrastructure projects within the nearby villages.
- Teaching English to primary school students alongside their teachers.
- Preparing traditional meals with the women of the village and delivering them to families in need.

In partnership with the Sydney CEO, Harvest INROADS is offering a program which is reserved exclusively for your students. The details are as follows:

- Where: Fiji
- When: 22 - 29 Nov 2014
- How much: $2280 including roundtrip international airfare from Sydney
- This experience is strictly alcohol, drug and tobacco free
