Dear Parents,

Last Sunday was the feast of Pentecost which has become known as the birthday of the Church. It is so named because we believe that we can only be God’s people and do the work of God as we live because of the gift of the Holy Spirit dwelling in us. Usually when Pentecost comes to mind we think of the disciples heads aflame with fire and their sudden ability to speak and understand many different languages. The story that has created those images is found in the Acts of the Apostles. There is a very different story of the gift of the Holy Spirit in the Gospel of John. Here Jesus appears to the disciples who have locked themselves in to hide from the Jews. The resurrected Jesus "breathed on them and said to them, 'receive the Holy Spirit. If you forgive the sins of any, they are forgiven them; if you retain the sins of any, they are retained' " (John 20:22). The gift of the Holy Spirit from Jesus' breath is a direct connection to the creation story in Genesis when God created a man from the dust and "breathed into his nostrils the breath of Life" (Genesis 2:7).

Listening to the reading from John at Mass last Sunday, I thought about these last words of Jesus before his Ascension into His Father’s eternity (Karl Rahner’s phrase). At the end of Matthew’s Gospel, Jesus assures his disciples "I am with you always, to the end of the age." In the closing scene of John’s Gospel, Jesus speaks to Peter and instructs him to "feed my sheep". People’s last words are so often deliberate. Here are Jesus’ commandments in summary and also the way that he lived His life. The acts of forgiving and retaining wrongdoings (sins) has a traditional interpretation that has lead to the development of the Sacrament of Penance in the Church, however, on a more basic very human level, it is also true that if each of us holds (retains) a grudge and the memory of wrong doing against us then it remains: only forgiveness brings inner freedom to both the perpetrator and the victim. "Feed my sheep" indicates we are commanded to look after each other especially the most vulnerable. Finally Jesus' own hopeful, confident faith that ensures that we will not be overcome by isolation and despair: "I am with you always, to the end of the age". So the birth of the Church: God's people, who make freedom from grudges and ill will their chief objective, who are consciously nurturing each other and who walk in companionship with God. This is still the Church today and probably the central orientation of human hearts.
Tanya Balakuma Class of 2013
Congratulations to Tanya who has won the 2014 Lionel Bowen Scholarship. There is a lovely write up in the local paper. Tanya is studying a Bachelor of Psychological Sciences at UNSW. The paper reports that "the trustees of the scholarship were impressed by Tanya's strong belief in social justice and her commitment to improving the outcomes for mental health patients" There is also a beautiful photo of Tanya surrounded by her Brigidine friends. Tanya won our most prestigious prize, the Fortiter et Suaviter award at the Graduation Assembly last year. Everyone at Brigidine is happy for Tanya and proud of her.

Uniform Policy
The girls were reminded at assembly last week of the uniform requirements. Those girls not in school uniform will sit a lunch detention on the day of the infringement. Any girl who has three uniform infringements will be given a Tuesday afternoon detention.

Girls are **not** to wear hoodies, or jumpers that are not part of the uniform. Likewise, multiple earrings, nose rings, nail polish and makeup are **not to be worn.** Girls will receive a lunch detention and will be required to either remove the earring, the nail polish and/or makeup at school.

In wet weather, girls are allowed to wear a plain navy or green spray jacket. This jacket must be completely free of advertising/logos etc... Big W and Target all sell plain spray jackets with no logos.

We appreciate your support as parents in this matter and ask that you ensure your daughter is in the correct uniform before she leaves home.

Founder’s Day
Celebrating Founder’s Day is a special day in our school calendar. On the 25th of June the College will celebrate with Mass in the morning and a fair in the afternoon consisting of games, rides and an Inter-House dodge ball competition. Girls must attend school in their full school uniform and bring the costume they wish to change into after the Mass. Girls will be provided with a BBQ lunch (sausage on a roll and a drink). All girls should now have bought back their permission note and $10 for the day. The day will conclude at 2:30pm, if the school is clean.

If you would like to help on the day please let the office know.
**Years 7 – 11 Parent/Teacher Interviews**

The Years 7 - 11 Parent/Teacher Interviews will be held on Thursday 26th June between 11am – 6:30pm and Friday 27th June between 8:30am – 3:20pm. Students are expected to accompany their parents to the interviews in full school uniform.

Bookings can be made through Brigidine College’s Website SOBS Portal under the ‘Parents’ tab or direct via the website http://www.sobs.com.au (if you are asked for a “keyword” by the SOBS site put in Brigidine then select Brigidine Randwick from the schools’ list). Bookings are **now open** and will close at **4pm on Friday 20th June**.

**Instructions regarding bookings on line are available here.**

Interviews are strictly **5 minutes**, if you require more time please contact the teacher directly and make alternative arrangements. If there are no suitable times available on the schedule for a specific teacher, parents will need to contact the teacher directly to arrange an alternate interview time outside the allocated schedule. Parents can change their interview times any time prior to the closing date by revisiting the http://www.sobs.com.au website, and can still view and download their bookings after the closing time for placing bookings.

UPDATE JUNE 2014

On Sunday 1st June Feast of the Ascension Brigidine Music Ministry group and friends assisted at the 6pm mass. As well as being a significant feast in our Liturgical calendar we were also farewelling a member of our community. Kathleen Zakher Year 11 exchange student has been part of our school community for a year. Kathleen is Australian but her family reside in Switzerland and she has been staying with relatives while attending the College.

Kathleen, a viola player, has not only assisted music ministry and other College instrumental groups but has also taken part in OLSH parish liturgies. She very ably represented Brigidine at the Easter ceremonies performing alongside local parishioners. We would like to thank Kathleen for her generosity and energetic spirit and wish her a fond farewell from all who have had the pleasure of teaching or working with her.

Thanks also go to my music department colleagues Miss Jacqueline Ainsworth and Ms Rebecca Lewis for their support in rehearsing the girls. Special thanks go to the girls who always support this ministry.

ST PAULS, NSW 2031

Dear Staff and Students,

Thank you for supporting Caritas Australia’s annual fundraising and awareness raising appeal, Project Compassion.

In 2014, Project Compassion will bring to life the words of John 10:10 where Jesus said “I have come that you may have life and have it to the full”.

This year, our six Lenten stories will celebrate our shared desire to live a full life, free from the burden of poverty: enriched by fair and equal access to food and water, healthcare, shelter, education and justice.

Your generous gift is a display of compassion in action and makes a life-changing difference. From all at Caritas Australia, thank you for embracing Project Compassion and helping those who are the most vulnerable to extreme poverty and injustice.

To find out more about the difference we are making together, please visit our website at www.caritas.org.au.

An interview with the stars

**Sophie McClellan Corny Collins—**

**Sum up your character in 4 sentences:** My Character is very suave and has a cheeky personality. The name ‘Corny’ really sums up his charming nature. He loves dancing on his show and checking out how some of the gidgets shake their stuff.

**Who are you related to?** No one, Corny is not linked to anyone on the show.

**Who is your friend, who is your enemy?** Corny likes everyone and wants everyone to get on, he has a tense relationship with Velma Von-Tussel but wants everyone to get along.

**What is the best thing about playing your character?** I enjoy playing a polished smooth character with minimal dance moves. I like the challenge of the rehearsals and learning how to act like a man.

**What has been the biggest challenge playing your character so far?** Singing in a low octave and moving and sounding like a man.
Leonard Van Santen plays Corny Collins—

**Sum up your character in 4 sentences:** He’s the host of the Corny Collins Show and he’s not afraid to twist and shout. His confidence and ego go hand in hand to make him a big personality.

**Who are you related to?** No one on the show, but he wants everyone to get along and likes the forward thinking Tracy and Seaweed.

**Who is your friend, who is your enemy?** Corny Collins gets on with everyone and just wants the show to reflect the integrated changes that America is making.

**What is the best thing about playing your character?** I don’t have to learn too much choreographed dance, though Corny does need to be able to move well. He is slick, neat and fun to play - an outgoing character.

**What has been the biggest challenge playing your character so far?** Singing the high notes in my songs, I have had to really think about training my voice to be able to sing such a range and for so long.

Music Teacher

LIBRARY NEWS

Art in the Library
At the moment we have a display of Year 11 artworks from Ms Brennan’s class that are indeed very beautiful. The girls have explored literal, personal and cultural dimensions of shoes with the objective of representing facets of their unique life stories, as well as shared and inherited social experiences. These shoes capture diverse cultural backgrounds, larger female experience and at least one key formative experience that helped shape them as people. And of course the girls have added to the store of available beauty in the world!

It was sad to say goodbye to our menagerie of dogs from last year’s Art Show but we look forward to a flock of birds descending on the library later this year.

Brigidine Researchers at Work
As ever, our library serves as an important research hub in which girls can meld information technologies with print texts in the course of a rich research experience.
The Year 9 masks which feature in the cabinet below were the product of extension work for the RE topic The *Sacraments of Healing*. These masks reflect the variety of feelings assisting in the healing process.

**Abbotsleigh School Literary Festival**

On June 3, it was a pleasure to accompany representatives from Years 7, 8 and 9 to the Abbotsleigh Literary Festival, at Wahroonga. Our visit to the Grace Crossington Smith Gallery on the grounds of Abbotsleigh was an absolute treat as there was a display of work from eminent children's book illustrators such as Sarah Davis, Sarah Acton, Kim Gamble and Freya Blackwood. The girls seemed to embrace everything with equal fervour which was what made them such delightful company. Some of the standout exhibits in the Gallery included Sarah Davis’ three dimensional model of a spooky house which was intriguing in itself, but it also revealed how three dimensional models can be used as the basis of digital shots, which can then be manipulated for a final two dimensional product. It was hard to drag ourselves away from the exquisite and whimsical originals for Sarah Acton’s *The Unexpected Crocodile* and Kim Gamble’s *Once Tashi met a Dragon*. Freya Blackwood’s heart-warming illustrations of animals comprised another highlight; she’s an artist who can capture the essence of beautiful beasts, in particular dogs!

We also attended a presentation from Barry Heard, a Vietnam veteran turned historian, with Barry providing an enormously affecting account of what he and other servicemen experienced during and after the Vietnam War. As his publisher’s website states: ‘As we now know, most Vietnam vets had to deal with a community that shunned them, and with their own depression, trauma, and guilt. Barry Heard’s sensitive account of his long journey home from Vietnam is a tribute to his mates, and an inspiring story of a life reclaimed’ [Scribe Books]. It was very clear to us why the student who introduced Barry was highly emotional when she climbed the podium stairs to thank him at the end of the talk. Barry has expressed his willingness to talk to our girls’ so hopefully I can organise that for our Year 11/12 girls during Term 4, this year.
Three of our girls are pictured on Wahroonga Station after the event.

Cosplay...
What’s Cosplay you might ask? Thanks to our Popular Culture Club, led by Cassie Micallef from Year 10, a few more of us are aware of the possibilities for the creative appropriation of characters from a range of settings, including video games and anime, and the ‘performance’ of these characters through costume construction and dress-up. Cassie is a talented artist who creates her own images. The original artwork featured below, which features her characters, was used in the latest Popular Culture Club poster in promoting a Cosplay lunch held in the library. The girls are considering planning a Cosplay parade for later in the year; the library will supply the red carpet.

Vinnie’s Night Patrol Blanket Drive

- Winter Appeal

Sydney Night Patrol is a program that is run by the St Vincent de Paul Society. Teachers and a number of Year 12 girls head out once a month onto the streets of Sydney to offer a warm drink and friendly conversation to some of the city’s most needy and vulnerable.

Currently the organisation is desperately seeking some warm blankets for winter. Unfortunately they are currently at a stage where they have absolutely no blankets to give to those sleeping it rough.

Brigidine’s Social Justice Group and the Student Representative body have decided to hold a blanket drive to help fix this problem.

We are asking for donations of blankets that are either new OR in good condition, single size and preferably light weight to enable that those sleeping it rough can place it in a plastic bag.

Unfortunately no quilt covers or queen size blankets can be accepted.

Blankets can be dropped off in the front area of the school office.
SPORTS NEWS FROM A BRIGIDINE DAD

I am writing to all the schools of the girls that I coach and thought it only fair to let you know about the efforts of two of your students, Lilly Featherstone in Year 7 and Abbey Featherstone in Year 11. They compete as part of a larger group for St George Rowing Club. They had a brilliant season learning a lot about themselves, competition and won a number of regattas throughout the year. Both girls competed with ex-students Ellyn Featherstone and Elisa Sfara to finish 7th at the National title Under 21 coxed 4 which is a great effort for the first time at this level where they were by far the youngest.

Their outstanding meet was the State Grade Championships. Abbey came 3rd in the State with her older sister Ellyn in their doubles race, 2nd in the State in their quad final and 4th in the coxed four. Showing true Brigidine spirit, Abbey also raced in the adaptive double with a club member who has brain damage from a car accident. This man who is in training to hopefully compete in Rio, won Silver in this race with Abbey, as the rules permit him competing with a junior girl.

Lilly shone and made a name for herself as the youngest and smallest cox in the championships. She had to carry an extra 12 kilos with her in the race to bring her up to minimum weight. She steered the senior women in the coxed four to victory and the senior men’s coxed four to 2nd. She had to compete against adult coxswains in these hard fought events. She is going to have to get used to those early mornings as she now has more crews wanting her to take them. However she is looking forward to starting to row herself next season.

At the club presentation both girls were rewarded with Abbey being awarded Most Improved Rower and Lilly Coxswain of the year.

The girls had a great year and were a credit to their school. As they say 'Brigidine girls can do everything'.
LIGHT RAIL UPDATE
On Wednesday 4 June 2014, planning approval was granted for the $1.6 billion CBD and South East Light Rail (CSELR) project.

The CSELR project is expected to transform Sydney, provide improved public transport between the CBD and the South East and deliver over $4 billion in economic benefits. It will extend from Circular Quay along George Street to Central Station, through Surry Hills and Moore Park, then on to Kingsford and Randwick.

The Minister for Planning’s approval of the project includes conditions to address and manage key impacts during construction and operation of the new light rail system. A full list of conditions can be found on the Department of Planning and Environment’s major projects portal.

Transport for NSW welcomes the conditions of approval and remains committed to ongoing engagement with the community and stakeholders about the detailed design, construction and operation of light rail. These conditions strengthen the commitments already made through environmental management measures proposed in the CSELR Environmental Impact Statement.

We would like to thank everyone who took the time to provide feedback on the project during the planning process.

The main contract to design, build, operate and maintain the new system is expected to be awarded as a Public Private Partnership (PPP) by early 2015 with major construction commencing soon after.

Further information is available on the project website at www.sydneylightrail.com.au or by calling 1800 684 490 or emailing projects@transport.nsw.gov.au

- A former student of the school
- A suitable adult
- A retired teacher

Cannot
- A relative of the student
- A currently employed teacher or private tutor
- A non-teaching employee at the student’s school (eg. a teacher’s aide, school secretary, lab technician)
- Anyone who recently taught the student
- Anyone who has a close relative sitting the same examination
- A Board-appointed examination supervisor or presiding officer
What qualities should a reader/writer have?

- Ability to communicate clearly in English
- Understanding of the subject(s) being examined
- Clear, legible handwriting (if writing for the student)
- Willingness to spend time practising with the student
- Patience and sensitivity to the student’s special needs
- Understanding of the need to maintain confidentiality and an ability to do so
