Dear Parents,

The Musical of last week has a very big place in our school calendar. As I watched the performance I was struck by all the different words and actions that needed to be rehearsed over and over. It is hours of work from the teachers and girls. Everyone, including the rest of us who only had to watch and enjoy, reaped a rich reward. There is a significant section about Hairspray further on in this newsletter. While a school is in rehearsal for a major production, the rest of the school carries on quietly with teachers managing their fears about girls being out of class so much. I congratulated Ms Ainsworth on how smoothly the school was able to run while the Musical rehearsals were on and this is largely due to the organisational skills of all the staff involved. A number of very talented girls were not in the Musical because they had other commitments which kept them from rehearsals and performances and I am very proud of their honesty and integrity in not volunteering to audition for a part because they would not be able to keep the commitment asked of them. The wonderful performances were created last week because the teachers and girls gave 200% to achieving excellence. Perhaps the girls who were not able to be involved can have a part "next time" whenever that will be. Musicals are like childbirth; you need time to forget before you think about the next one.

As I write this our Year Seven debating team are having time with Ms McColl and Ms Fairall to prepare for their grand final debate against the boys of St Ignatius Riverview. The topic is The Future. I was listening to the discussion about the future being the result of the present and I thought how true it is in the Brigidine Community that those people who are making the best use of their day, concentrating on being positive and spending present moments developing themselves in some way, are the happiest. As Jesus said "the Kingdom of heaven is within you"
It is also scoliosis awareness time and I include here the website that has useful information about scoliosis:

**St Brigid’s Blessing**
May Brigid bless the house wherein you dwell,
Bless every fireside, every wall and floor,
Bless every heart that beats beneath its roof and every tongue and mind for evermore;
Bless every hand that toils to bring it joy,
and every foot that walks its portals through,
This is my wish today -my constant prayer-
May Brigid bless the house that shelters you

_May Brigid Bless the House Wherein you dwell_

FROM THE ASSISTANT PRINCIPAL
Welcome back! I hope everyone managed to have a refreshing and enjoyable break. This term will be as busy as every other, so I hope that everyone is ready to give their very best in all that they do this Semester. Our Year 12 students will begin their Trial HSC next week. So I would ask that we keep them in our prayers and thoughts during this stressful time. I would also ask every student to remember that one day it will be their turn to complete the HSC. Thus, I am asking the girls to be especially quiet in their movement around Synan Hall.

**Year 8 Subject Selection Information Evening**
All parents of Year 8 students are required to attend the Year 8 Subject Selection Information Evening on **Tuesday 29th July at 6pm in Cullen Hall**. This will be the first time your daughters have the opportunity to have a say in what subjects they would like to take and it is an important step in their education and academic independence.

**Social Media**
The development of ICT has provided a new means for students to communicate 24/7 and a new means to bully each other. Social media is difficult to escape and the girls can find themselves consumed and controlled by it. We have had many instances this year at the College of the inappropriate use of social media.

Parents need to be aware of the following sites/apps available on the phone or computer:

- **Snapchat** – this site was designed for people to upload photos for a specific amount of time and then they are automatically deleted. There are obvious problems with this in that inappropriate photos can be posted with no fear of them remaining for all to see. However, with everyone now realising, you can use screen shot to
obtain the image, these photos do become permanent and are available online after they have been deleted from SNAPCHAT.

- **ASKFM** – No student should be on this site and they have no need to be on this site. **It is particularly malicious** as everything is said anonymously. If they want to ask a question they can ask you as their parents/guardians or a teacher here at the College.
  - Skype
  - Facebook
  - Instagram

**Parent Portal**
We are working on ensuring access to our Parent Portal for Term 3. If you have updated your email address or not provided the school with your email address, could you please do so ASAP. All parents will receive a letter outlining how to register for the portal and a code within the next fortnight. It is vitally important that you do not lose this code as you will not be able to register for the portal if you do.

**Student Portal**
Students will progressively be given access to the Student Portal over the coming weeks. It is in this portal that students can access their timetable and the daily notices.

**Student Safety**
It is important that girls are aware of their surroundings at all times and if possible, travel in pairs or in a group. If girls feel unsafe they should find a safe place and a safe person to tell immediately. Safe places include – police stations, schools, hospitals and shops. If travelling on a bus, girls should move away from the person/s making them feel unsafe and stand next to the bus driver. In all cases, it is important that the girls alert a safe adult as soon as possible – parents, teachers, police. Please discuss with your daughter what she could do if she does feel unsafe whilst travelling to and from school.

**Uniform Policy**
The girls were reminded at assembly last week of the uniform requirements. Those girls not in school uniform will sit a lunch detention on the day of the infringement. Any girl who has three uniform infringements will be given a Tuesday afternoon detention.

Girls are **not** to wear hoodies, or jumpers that are not part of the uniform. Likewise, multiple earrings, nose rings, nail polish and makeup are **not to be worn**. Girls will receive a lunch detention and will be required to either remove the earring, the nail polish and/or makeup at school.

In wet weather, girls are allowed to wear a plain navy or green spray jacket. This jacket must be completely free of advertising/logos etc... Big W and Target all sell plain spray jackets with no logos.

We appreciate your support as parents in this matter and ask that you ensure your daughter is in the correct uniform before she leaves home. Wearing correct uniform is an important promise made at enrolment.
Parking

Brigidine College is a site that presents difficulty for parents electing to drop off and pick up their daughters. To ensure safety at all times, parents are asked to remember the following:

- The drop off and pick up zone is on Coogee Bay Rd; please adhere to the parking signs
- There is NO PARKING in Aeolia Street
- The worst times to collect and drop off your daughters are between 8:20 am—8:30 am and 3:20 pm—3:30 pm. Perhaps you might consider arriving and departing outside these times
- Double parking is ILLEGAL and jeopardizes student safety

SPORT NEWS
Good luck to Jessica Thornton Yr 11 who will be travelling to Nanjing China to compete in the YOUTH OLYMPICS. Jessica will be competing in the 400m and we will be following her progress closely.
CGSSSA DANCE
Brigidine will be entering teams in the dance competition on the 10th September at Santa Sabina College Strathfield. We will be entering in the JAZZ TAP, HIP HOP and CONTEMPORARY. The girls have been training hard in the holidays and on weekends and will be holding some cake days to raise money for costumes so we will let you know the dates so you can come along and support.

CGSSSA ATHLETICS
The Athletics squad will be training at ES Marks on Wednesday afternoons. A bus will take the girls to ES marks departing Coogee Bay Rd at 3.30 and students will be dismissed from the fields at 5pm. Please make your own travel arrangements home. The CGSSSA Carnival will be on August 15th at Homebush.

TUESDAY AFTERNOON TOUCH
Girls need to start organising their teams to play on Tuesday afternoon at Queens Park. Girls can play with their friends and can only play in one team. All teams must have a parent manager to help and attend each game. Girls will be notified via the daily notices on when team registration is due.

SPORT AWARDS 2014
I would like to invite all parents and relatives to attend the Annual Sport Awards. At this ceremony we recognise the achievements of outstanding sports women and teams within the school over the past year.

It will be held in the Cullen Centre on Tuesday 26th August 11.30am-12.45pm.

YEAR 11 LEADERSHIP DAY

On the 16th of July, Year 11 participated in a Leadership Day run by an organisation called ‘YLead’. Together as a form, Year 11 participated in activities that encouraged us to work as leaders and work as a form. These activities assisted students that formerly barely spoke to each other to develop a new friendship that consisted of talking, dancing and listening.

The first session consisted of Year 11 forming small groups with people we usually barely spoke to and together we created a dance to the song “I’m Gonna Be (500 Miles).” This particular session focused on leading and talking to new people; helping each other creating dance moves that evoked laughter and joy.

In the second session a challenge was set for the form that entailed the year group jumping through a skipping rope in the shortest amount of time. This challenge encouraged the form to work together and listen to other students’ ideas. Together Year 11 completed the challenge (remembering that Year 11 is one of the biggest year groups in the school) in 4.9 seconds.

The last session focused on being a form. In groups of 3, students talked about a particular person influencing their life and a particular person in the form we admired. This exercise made students think of small facts about each other that brought to mind the personality of that student. The final task of the day involved a piece of paper taped to the back of each student and going around writing a small note about them. It was an opportunity that allowed the students to think about a specific person, a memory and the type of person they are.

Being able to participate in a day with ‘YLead’, each person in the form was able to leave Synan Hall with a feeling of being a leader and of happiness. Coming together with the people who we have mostly been to school with for 5 years, we experienced a friendship that is now strengthened.

DUKE OF EDINBURGH SILVER AWARDS

Taking part in Duke of Edinburgh has been an innovative and exciting experience. On our journey towards finishing the silver section of Duke of Ed (which took 6 months), we were able to develop a variety of skills. This included adapting to an unfamiliar environment, working together with people, testing our physical and mental ability and trying a new sport. This was daunting at first but together we were able to make new friends, and break out of our comfort zones. One of the requirements of Duke of Edinburgh was to volunteer for the community for 6 months. We chose a preschool where once a week we would help out and gain a greater knowledge of how a preschool was run. This experience was different for both of us but by the end of the 6 months, we had felt a sense of accomplishment by taking time out of our studies to help this preschool.

Another section of this program was participating in a sport. We both decided to try a sport that was different from dancing or swimming and instead wanted to try something new. We decided on Mixed Martial Arts. This was physically and mentally demanding at first, but by the end of the 6 months we had passed our grading and were yellow belts! One of the toughest parts of this program was the Adventurous Journey.

We camped twice: once as a practice and another as a test. Each camp was for 3 days and was held in far North-West Sydney. At the camp, we met people from different schools around Sydney and worked together as a team for those few days, hiking, canoeing and at one point wading through water up to our waists for a few kilometres! However hiking for up to 15 kilometres with a 14Kg backpack was not easy. There were times where it was difficult and tiring but in the end these 2 camps challenged our mental and physical ability on another level. Moreover this program has allowed us to make new friends, try new activities and has given us memories that will remain with us for the rest of our lives.

Achieving the Silver Award meant a lot to us; it was both physically and mentally challenging for us. All the hard work we had done over the past 6 months had been completed and it felt amazing to say we had achieved our Silver Duke of Edinburgh. It was definitely not the easiest of courses but it was so rewarding and fulfilling at the end. The memories both the good ones and the bad ones, like the views we got to see or the midnight chats we would have around the campfire with the group and seeing a shooting star and the bad ones like no real toilets or the cold nights we went through, we will treasure them and years down the track recall them and laugh about it. It has definitely been one of the most rewarding adventures that we have undertaken. You take away so many skills and a lifetime of memories. We both can’t wait to complete our Gold Award for Duke of Edinburgh.

Zoe and Louisa
It is with a heavy heart that I write the last Hairspray article for the newsletter.

We had a fantastic experience putting the show together and to see the students performing so well on the weekend was an absolute pleasure.

We had high expectations of the students but we really didn’t expect the outstanding quality of the shows. The acting was superb, the singing great, and the comedy hitting the mark. The orchestra were so good you would think we had hired professionals; not missing a beat! This being said, for me, one of the best experiences of the show was seeing all the backstage work going into making the show work. The maturity, quick thinking and assertive action of the lighting, sound and stage managers assisted with, or averted, a few problematic situations of which the audience would not be
aware. Putting on a show like this is a true team effort and it was a pleasure to be a part of it.

A view from Tracy (played by Caroline Recking) - Hairspray has probably been the best experience of my high school life. Everything about it was positive. There was a great working environment; the teachers were fantastic to work with and every single cast member, dancer, orchestra member, choir member, backstage crew, anyone who was in the show really, pulled together and worked the hardest I have ever seen anyone work to get the show to be as perfect as possible. The entire experience was incredibly fun and I think I speak for everyone when I say that I didn't mind giving up my afternoons and weekends if it meant that I got to have an amazing time doing something that I loved to do with people that I loved to work with. Hairspray also really helped to bring everyone out of their shells. By the final performance we were all like one big family and everyone was incredibly comfortable with getting up on stage and giving it all they had, something that I know a lot of people didn't think they could do when we first started. I for one am incredibly glad that I auditioned as there have been so many opportunities to meet great people, including
the three boys who gave up their time from Champagnat College Pagewood; working on our performing skills and also be able to put something together that we could be proud of and look back on, in many years to come, with smiles. It has been an incredible experience and I would do it all over again in a heartbeat.

RANDWICK TREE WALK FOR TREE DAY
A community walk is being held this Sunday 27 July that will follow the proposed light rail route between Centennial Park and High Cross Park in order to show support for the 270 trees that are set to be removed as a result of the new transport system.

High Cross Park will be mostly destroyed to make way for the bus/light rail interchange. High Cross Park is a significant historical open space and houses a cenotaph to honour over 4000 Armed Services personnel of the Randwick area who lost their lives for their country.

We would like to see as many concerned citizens attend this walk on Sunday to show the State Government our support for a rethink of the current plans.

All are welcome to participate.

THE LIONEL BOWEN LECTURE SERIES

This year marks the commencement of an important Marcellin College initiative — The Lionel Bowen Lecture Series. In creating this initiative, we seek to engage with leading figures in Australian society who have contributed significantly to the common good, and inspire others to emulate their example. The lecture series is a public event open to all in our Marist and Catholic secondary schools network.

This is what we want for the young men at Marcellin College — a broadening of their view of the world; an acceptance that with their privileged upbringing they have a responsibility to be good citizens who contribute to the common good. These are the themes that the Lionel Bowen Lecture Series seek to explore.

The lecture series is named in honour of Mr Lionel Bowen, former Deputy Prime Minister of Australia and Old Boy of Marcellin College. Mr Bowen, who passed away in 2012, remains highly regarded for his significant contribution and service to the public at all levels of government.

I warmly invite you to join us for this special event. The inaugural lecture will be presented by Mr Jeff McMullen.

This is an invitation to show your support for asylum seekers.

Many people are disturbed by the harsh policies and ill treatment of people seeking refuge in Australia. In response to the desire to do something about it, we are preparing an ECUMENICAL SERVICE OF LAMENT.

When: Friday 29 August 2014  
Where: Mary Immaculate Catholic Church (45 Victoria Street Waverley)  
Time: 10:30am followed by refreshments

In order to make this a truly inter-faith, inter-church event we ask you to invite your colleagues, friends, members of your congregation or school community too join us.

It would be good to have a variety of people to lead a prayer or reading. Please let me know the name of your volunteer.

For catering purposes please RSVP by 15 August to Patricia Dunn by phone, fax or mobile.
