Dear Parents,

We have crossed another threshold in the year as the marking of practical subjects for the HSC is now complete. The Art Exhibition, a red letter event in our calendar, has also concluded; the Art staff enabled our students, especially our Year Twelve students to showcase their work and receive the affirmation of family and friends. Ms Brennan has written about the Art Exhibition further on in this newsletter and also the success of our students in the competition held by the Sydney Children’s Hospital. These competitions allow our students to extend themselves and to have another chance at showcasing their work for a wider audience.

Friday 12th September is my last day at Brigidine for this term as I leave to attend my daughter’s wedding. Not to be at Graduation is a very big deal for me and I am sorry to miss this important moment for our Year 12 girls. We will have everything organised before I leave and I am sure that the final week of term will run smoothly. I am also sorry to miss Brigidine Has Got Talent which is held on the last day and the first event organised by our school leaders.

The Yr 11 girls and the staff have commenced the round of voting for our 2015 student leaders. Teebana Balakumar has been voted in as our School Captain and Anna Molihan has been voted in as Vice Captain. Congratulations to both these girls and I encourage all members of the school community to support them in their important role of representing Brigidine and developing our values in the school

Congratulations also to Sophie Poidevin, our 2014 SRC President. Sophie was the Brigidine recipient of the Archbishop’s Awards for Excellence which were held today. These presentations are made in St Mary’s Cathedral and it always a moving occasion for the parents of the recipients and for the principals of all the Catholic schools from the Archdiocese who gather for this annual event.
Reduction in Uniform Costs
I am concerned by the number of girls who do not have all the items of uniform required by Brigidine student. This applies particularly to the sport uniform. Girls must wear the whole tracksuit and on cold days may wear the school jumper under the track suit jacket. For a Year Nine girl to tell me that she has lost her track suit top and doesn't think that buying another one "for just another year" is fair, is completely unacceptable to me. Every girl in the junior secondary years is to own the jacket and pants of the school tracksuit. With this in mind I have asked Mrs Chidiac to greatly reduce the price of our Sports uniform at the uniform shop. Each parent has promised at enrolment that they will provide the uniform for their daughters.

May Brigid Bless the House Wherein you dwell

Ms Kate Edmondson
Principal

FROM THE ASSISTANT PRINCIPAL

eDiary
All girls in Years 7 – 11, by the end of Week 9, will have access to the College’s new eDiary. A paper diary will no longer be used at the College from 2015. Girls have been sent an email giving them access and they must follow the prompts to register. The diary has been linked to the new SENTRAL portal so the girls can access the diary through SENTRAL. Parents will have some access to their daughter’s eDiary from 2015 and there are more details to come regarding this. The eDiary aims to strengthen the home-school partnership by giving parents a clearer picture of their daughter’s homework and assessment schedules through regular updates.

NAPLAN
The 2014 NAPLAN results of all students in Years 7 and 9 have been sent home with the girls this week. All parents of girls in Years 7 and 9 likewise would have received an emailing requesting they ask their daughters for the envelope containing their daughter’s results. If you have not seen this envelope please ask your daughter for it.

SENTRAL Portal
Thank you to all those parents who have successfully registered and linked their daughter/s to the SENTRAL portal. Some parents have registered for the portal but have yet to use the access key provided in the initial email to link their daughter/s to the account. **If you log into SENTRAL and cannot see your daughter’s picture, you need to use the access key provided to access the account fully.** For those parents who are yet to register could you please do this ASAP.

In Full Flight

Brigidine College, Annual Visual Arts Exhibition 2014

The exhibition commenced in Tullow with a wash colour from our Year 7 and 8 students. Our elective classes in Year 9 exhibited ceramics and sumi ink drawings. Year 10 made appropriated artworks using a variety of materials and exploring many issues in our contemporary world. Synan Hall had works from Years 10-12, including Year 11 Photography. This year the video works of Year 10 were truly extraordinary and many students explored complex ideas of utopia and dystopia through a sense of place.

In the courtyard the dogs protected us while the birds contemplated full flight in the entrance hall and Tullow. The inclement weather kept them out of the trees and they brought good humour to the exhibition.

The main focus of the evening was the Bodies of Work for Year 12 Visual Arts. These students (if you excuse my pun) were in Full Flight and we celebrated the creative achievements of the Visual Arts students. The Year 12 students explored a range of ideas about their world, using a variety of materials. They have conceptual strength and they have pushed the material practice.

Congratulations to Elleanor Benjamin, Tara Biollo, Oliva Cannon, Elberta Cheung, Sarah Duncan, Carmen El Sayed, Jeslyn Fung, Carolina Knight, Maylene Lam-Hang, Sophia Lekkas, Krysta McMahon, Jasmine Saltirov, Nikolia Stojanovic and Jade Zulian. Mrs Symth has taken this class and challenged them in the artmaking practice.

Jenny Orchard is an installation artist, ceramist, cartoonist, illustrator, printmaker and sculptor and was our special guest to open the exhibition. She was impressed with the range of artworks, complexity of ideas and presentation of artworks in Tullow and Synan Hall.

The La Teens under the baton of Miss Ainsworth enhanced the atmosphere of the evening and showed great resilience with the bad weather.

Exhibitions are always a team effort, I would like to thank Mrs Symth, Mrs Lee, Mrs Gouvea, Mr McLoughlin and Mr Scivetti for their enthusiasm. Ms Edmondson and the school executive for their support. Our Parents and Friends in particular our president Mrs Allison Roberts. Mrs Harbutt, Mr Keyes and Mr Megacidis.
Jenny Orchard Inspires Visual Arts Students
Brigidine College was fortunate to be visited by Jenny Orchard a renowned international artist last week. Jenny inspired students from Years 9 to 12 Visual Arts this week encouraging them to pursue their passions and cultivate their creative abilities. Jenny’s cultural background is vivid in her work; born in Turkey she also spent time living in Zimbabwe before moving to Sydney where she now resides. Her art practice consists of making ceramic sculptures that question the use and abuse of genetic engineering. Jenny’s enticing and vivid charismatic creations possess life like qualities forcing the audience to notice the issue at hand.

Brigidine College also had the pleasure of having the Annual Visual Art Exhibition opened by Jenny Orchard last Tuesday. Ms Brennan Coordinator of the Visual Art department introduced Jenny and welcomed the large crowd to the exhibition. Jenny then continued to congratulate the Year 12 students on their efforts and successful work. She spoke with a genuine appreciation for their practice and consideration for the vigorous HSC journey they had endured.

Jenny Orchard was truly a pleasure to meet and Brigidine College Randwick’s Visual Art department has certainly been inspired by her practice, and thankful for her discussion.

Sarah Karaoglu
Yr 11 Visual Arts Student

The Visual Arts Exhibition May Be OVER …
The Visual Arts Exhibition may be over for 2014 however the students are working towards 2015. Pictured here are Year 9 students painting landscapes of the local area using oil paint. We look forward to seeing them in Tullow next year.
Brigidine College are Winners Again
The Sydney Children’s Hospital’s Spring Art Exhibition had its opening Thursday 21 August. The theme this year was “Inspire”. Children were asked to inspire the sick children in the hospital with their artworks.

Veronica Dzyuba, Emily Liang, Jae Hee Ahn, Georgia Penry, Lisa Ashby, Michaela Sullivan and Eryka Lee were selected to exhibit bright colourful paintings to bring joy to the children and the people who work in the hospital.

Emily Liang won first prize for her painting and was presented by the Federal member for Kingsford Smith, Matt Thistlethwaite, with a bag of prizes.

Her painting was also selected to appear on the invitation. All artworks are on display in the hospital until 27 November.

Congratulations Emily.

Ms Deirdre Brennan
Visual Arts Coordinator

CGSSSA DANCE
Good luck to all our Dance Team – Jazz, Contemporary, Hip Hop and Tap. The girls have been training very hard for the last 10 weeks and will be competing at Santa Sabina Strathfield on 10th September.

JESSICA THORNTON
What an achievement! Congratulations to our Golden Girl Jessica Thornton who won Gold in the 400m, at the Youth Olympic in Nanjing. Jessica performed a PB to run the race of her life and fought back a challenge from her nearest rival from Bahrain in the last 10 metres. We are very proud as a school to have a student reach such heights in her sport and show fantastic sportsmanship at the finish. Jessica has also been selected to carry the flag for Australia at the closing ceremony. I am sure this will be a very proud and overwhelming experience for her.
SPORTS AWARDS
The Annual Sport Awards were held in the Cullen Centre on Tuesday 26th August. We were fortunate to have some special guests attend. Sr Sheila was present to award the House Spirit Cup named in her honour to Regina Mundi, and a very special Paralympian Joany Baderhorst was able to share her life journey with us and the challenges she faced losing a lower limb as a child after an accident. Joany inspired the girls with her determination never to give up and this drive has led her to be ranked 8th in the world in snowboarding. Hopefully all the students could take something from Joany’s courage and adapt this to moments in their own lives. Congratulations to all the award recipients on your incredible achievements especially our outstanding team member and Pierre de Coubertin winner Emma Smith.

UMPIRING
Thanks to Olivia Gooch, Chelsea Winder and Paige Winder who generously gave up their time to umpire all day at the Primary Schools Netball Championships. The girls umpired for St Bernards Botany which was a long day under difficult conditions and their time was greatly appreciated.

Mrs Kate Elder
PD/H/PE Department
**YEAR 10 COMMERCE**

On Friday 22 August, our class had a special guest speaker come in and address us. Marie Iskander, law student, came in and spoke to us on some of her achievements and cases that she had studied during her time at university. Of course the class was mostly drawn to her recollection of criminal cases -- our opinion on the cases was almost always right. She went on and quizzed us on our knowledge of the law so far, and I would say she was quite impressed, so thank you Ms Dawson for having us well prepared. All together we learnt a lot and shared a laugh while we were at work. We were very glad to have such a great speaker come in and give us an insight on what the world of law offers. Thank you Marie.

Rachel Year 10 Commerce Student

**YEAR 11 BUSINESS STUDIES**

On the 27 August, Year 11 Business Studies classes took a trip down to Leichhardt to visit Sweet Lily’s Confectionery Cafe. The cafe was hidden away in the Italian Forum, which was once a buzzing area. We were welcomed by Lily, who gave us a lecture on various aspects of running a business, including the struggles and issues that she has had to overcome. After listening intently about the life cycle of running her business, Lily let us create our own pizzas with gourmet ingredients that she had ordered in especially. We enjoyed a meal of pizza, soft drink, and pasta. Better yet, dessert was in the form of gelato, served on top of a crunchy waffle cone. I think it’s safe to say that we all enjoyed ourselves incredibly (regardless of the horrendous weather), and walked away from Sweet Lily’s with expanded knowledge on business managing, as well as a happy stomach. (PS: thank you to Ms Dawson, Ms Watson and Mr Campbell for chaperoning us on our bonding adventure. Your Selfie wins Selfie of the Year!)

Joy Wang
Yr 11 Student
YEAR 11 RYDA EXCURSION

On the 21st of August, Year 11 went to Olympic Park to participate in RYDA (Rotary Youth Driving Awareness) where we listened to various talks about driving safety. Some of us participated in a stop driving demonstration where a trained driver would drive at a certain speed and stop suddenly. It was interesting to see how various speeds affected the distance the car would travel after stopping suddenly. We also had a talk from the police, where we learned how learners were the least likely to be involved in car crashes and how those who have just gotten their P’s are the most likely to be involved in car accidents.

There was another talk where we listened to a victim of a car crash and how after 20 years, she is still rehabilitating. It was an inspirational talk as she was told she would never walk, and yet she was able to learn how to walk again. It also made us become more aware about how car accidents are not only things that we see on the news, but affect real people. Overall, it was a very interesting day where we learnt many things about driving aware and how different things, like medicine, or fatigue can affect our driving.

Jaynell Vila Year 11
Science Week Brigidine - International Year for Family Farming
Science week will be held at Brigidine College in the week beginning September 15th. As in the past we will have the “Science Show” on the main quad at lunchtime. All students are welcome to attend.

Special events have been arranged for the following year groups to fall in and around this week.

Year 7 will be going to the Zoo to marvel at the wonders of the living world.

Year 8 will be participating in their own CSI investigation “A Case of Conspiracy” here at school. They will enjoy forensic testing of samples from a crime scene.

Years 9 & 10 will be entering a competition run by the UNSW during the week. They need to enter a photo that shows science in action. It attracts a substantial monetary reward and we wish the girls luck.

Year 12 students should be actively applying for the many scholarships and cadetships offered through both universities and businesses. These are advertised frequently in the Career’s Bulletin that is emailed to the year 12 cohort. In previous years our students have benefitted greatly from these opportunities.

This is a reminder to parents that a new platform for Science education was launched by the ABC last year. It has many engaging learning tools available for free for our secondary science students. It is worth a look and adding to your favourites. The link is: http://splash.abc.net.au/secondary/science

Please find opportunities for students offered by UTS throughout the year and into next year in the flyer attached.

The Photo Competition link for science students is listed below. Financial rewards are significant. Good Luck.

YOUNG WOMEN’S GATHERING WITH ANITA HEISS
On Tuesday 19th August 2014, the Year 9 and 10 Indigenous students from our school and other girls’ schools in the area went to the CEO office at Daceyville to participate in a workshop with Dr Anita Heiss. Dr Anita Heiss is a local Koori author of non-fiction, historical fiction, commercial Women’s fiction, poetry, social commentary and travel articles. She is a regular guest at writers’ festivals whilst traveling internationally performing her work and lecturing on Indigenous literature. Anita was a finalist in the 2012 Human Rights Awards and the 2013 Australian of the Year Awards and listed as Australia’s #27 Favorite novelist.

During the day we participated in a range of activities and learnt about ourselves as young Indigenous women in Australia. We discussed what qualities role models and leaders have whilst naming people who we think are role models or leaders in society. We used our English skills and wrote stories from looking at a single item and spoke about Aboriginal Australia and what contributions we have had to it and what contributions we can have in the future.

We thoroughly enjoyed the day and learnt lots not only about ourselves, but about our culture.

By April Edwards Year 10
THOUGHTFUL FOOD PROGRAM

Previously known as Healthy Treats

Thoughtful Food aka Healthy Treats was held on Wednesday the 20th of August after school. It was open to years 7-11 to get everyone involved in social justice who are not able to go on night patrol. The 32 students, supervised by five year 11 mentors cooked a range of healthy foods consisting of muffins, wraps, cookies and apricot balls. These foods were handed out by the night patrol team at Ward Park in Surry Hills and Martin Place later that night.

It’s a social justice cooking program to get the younger years involved in helping the homeless whilst expanding their cooking knowledge. It also gives year 7 a taste of Hospitality and years 8, 9 and 10 the chance to consider picking Hospitality or Food Technology as an elective. It will be held again on the 16th of September.

Special thanks to Ms Alley and all the kids especially the Year 11 Mentors for volunteering their afternoon.

Laurie and Angel (Year 11 Mentors)

The Thoughtful Food Program is a group of students from ranges of all years that make healthy food for the homeless. I think the program was really great as we were helping the community and I felt very privileged to know that we were doing great things for the homeless community. We made a variety of healthy foods such as Blueberry Muffins, Chicken and corn wraps, Apricot Balls and a few more scrumptious snacks. Juniors were a little too young to take the food out to the homeless but the senior years Night Patrol went out and took the food around.

I am in Year 7; it was my first time in the kitchen and it was very helpful having the Year 11 mentors there showing us how to do things. I also think it is helpful for all the Year 7’s, for when we start food technology in Year 8 we will now know some helpful little things around the kitchen. Overall I think it was a great experience for all of us.

You are invited to an information evening on:

‘Resilience in all its forms’

Fostering Dr Belinda Fitzpatrick (PhD, MClin Psych) is a Clinical Psychologist and researcher whose expertise lies in child adversity and bullying.

Dr Fitzpatrick will present on “Developing Resilience in Primary School Children”.

She will discuss the importance of promoting strategies that parents and schools can use to develop resilient children. Dr Fitzpatrick will elaborate on signs that can identify if your child is being victimised and how to treat and deal with it at home and at school. She will cover ways to prevent your child from being a victim or indeed a bully.

Come along to this fascinating one-off evening.

Dr Fitzpatrick is also the convener of an exciting new research project taking place in our school. The purpose of the project is to identify and address strategies that enhance students’ social and emotional learning and foster the prevention of bullying behaviors. (Notes: Please note that 10 students only are currently invited to participate.

Date: Tuesday 9th September
Time: 7pm
Place: Randwick Public School Hall, entrance and parking via Frances Street.
Cost: $5

Spaces are limited, so please register by return email.

Summer Football

Coogee White Tigers Football Club
Summer Development Program

Registration is open for all players Boys & Girls from all clubs any school aged 5 years to 12 years.

In collaboration with Gianfranco Impellizzeri as Head Coach UEFA B, FFA A licence & accredited Juventus Soccer School coach.

A St Brigid’s Fire Notice:

2014 Blackmores Bridge Run

St Brigid’s Fire is inviting all students, family and friends to take part in the 2014 Blackmores Sydney Running Festival to raise money for Plan Australia.

The event will be held on Sunday 21 September 2014. This is your chance to run, jog or walk over the famous Sydney Harbour Bridge and finish triumphantly at the beautiful Sydney Opera House.

Don’t miss this chance to get outside, get active, and go the extra mile by fundraising for an amazing charity – Plan Australia.

Plan is one of the oldest and largest children’s development organisations in the world. The money that is raised by the Brigidine team will go directly to Plan’s “Because I am a Girl” campaign. This campaign was established to fight gender discrimination and to create a global social movement for positive and sustainable change in the lives of girls around the world.

If you would like to take part in this event please follow the steps below:

Instructions:

2. Follow the prompts to register as an individual
3. Once registered please visit Brigidine’s Team page:
4. Click ‘Join Team’
5. Start fundraising for Plan Australia!
