2 May 2018

Dear Parents,

In May 2018 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy skills of students across Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child's level of achievement. Each student's level of achievement will be reported against the national minimum standard.

Student background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student's right to privacy is maintained.

The NAPLAN tests will be conducted from 15-17 May 2018.

Tuesday 15 May	Wednesday 16 May	Thursday 17 May
Language Conventions (Spelling, Punctuation and Grammar) Writing	Reading	Numeracy

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

Students may be considered for exemption from the tests if they are newly arrived in Australia (less than one year before the test) and with a language background other than English, or if they have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student's normal level of support in the classroom may be provided. Large print, Braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustment and exemption from the tests must be discussed with Brigidine College's learning support team and Principal, and a parent or carer consent form must be signed. Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents and carers in consultation with the Principal. If you wish to withdraw your child from the tests you must sign a parent or carer consent form. Consent forms are available at the school.

Please make an appointment with the Principal if you would like further information about your child's participation in NAPLAN.

Additional information about NAPLAN can be found at: <http://www.nap.edu.au/naplan/parent-carer-support>

Yours Sincerely,

Anthony Morgan
Curriculum Coordinator
